THE TOURNAMENT:

- Open to 48 to 60 participants, the tournament will be organized in 8 to 10 pools of 6 on 8 tables (4 of 3.10m and 4 of 2.80m). Eight to ten seeds, then the players will be divided into pools according to the serpentine mode, avoiding, if possible, having several players from the same club in the same pool.
- The game will run continuously without table assignments.
- The ranking of the pools will be established based on the number of match points, the achievement coefficient (number of points achieved / number of points objective) and the general average calculated on a 3.10m format.
- The winners of each pool and the "x" best runners-up will qualify for the main draw. *The 16 players will be reclassified and the matches of the 1/8ths will be determined according to the usual method (1/16, 2/15, etc...)*
- The comforting draw will be composed of the "y" remaining seconds plus third and best fourths if necessary. *Matches determined in the same way as those in the main draw.*
- The "pool" distances will be kept for the final draw of the comforting.
- **No equalizing replay in the final draw matches.**
- Self-refereeing in the pools. The club will referee the final phase over 3.10m. The results of all matches will be noted on the match sheets and returned to the Game Director.
